A detailed topographic map of the Parc Naturel Régional de Valdu Niellu. The map features contour lines indicating elevation, with peaks reaching up to 2041m at Capu a Curia. Major roads are shown in orange, including the D84 and D100. Water features include the Golo river and several streams like Ruisseau de Bacchittacci and Ruisseau de Mezzanule. The map is marked with 16 numbered points of interest, each circled in red. These points are distributed across the park area, from the Col de Vergio in the west to the Bocca a Stazzona in the south. The text 'PARC NATUREL RÉGIONAL DE VALDU NIELLU' is prominently displayed across the center. In the bottom right corner, there is a legend box with the following information:
